

## Eager Engineers

Sts. Joseph & John Elementary For Gr. K-4  
w/Ms. Puliafico

Eager Engineers is about hands on learning– with Lego's, K'nex, Citiblocs, Batteries & more. We want your child to be exposed to ideas like *Simple Machines, Fulcrums, Aerodynamics, Reflection of Light & more*. Each week, we introduce an educational concept, and then build it! With this we build excitement, discovery, self confidence– and learn a few things too! New projects each & every week. Our blog shares the weekly build and STEAM concepts given.

**Winter projects include:** *LEGO Windmills, Lamps & Ice Cream Stands; K'nex Rowboat, Motorized Tricycles & a Walking Robot; Citibloc Butterflies, an Uneven Tower, and more!*

**All New Lessons EVERY Session!**

Classes Held:

**2:00pm-3:00pm**

Questions? Email us: [info@creativeclasses.org](mailto:info@creativeclasses.org)

*Eager Engineers is held at the end of the school day in your school. We provide all the supplies and instructor. Contactless pick up is at Viking Cove Door "E" at the side of the school at 3pm. You can stay in your car, we will bring your child to you. If your child attends SJJ after care after our class, we will escort them to after-care. Additional details about our program and COVID policies are at [www.creativeclasses.org](http://www.creativeclasses.org)*

*\*All session dates are included in the calendar link at the bottom of your emailed receipt. Download that link so you never miss a class!*
