Vice President/Co-founder: Madison Stawicki

LEGO CLUB

Where: Viking Visionary Center (Computer Lab)

When:

Session 2: Mar. 9, 16, 23, 30, Apr. 6, 13

Cost: \$40 (money goes towards the Lego kits each student will receive.)

Teachers: Mrs. Blake, Mrs. McChrystal, & Miss Webb

Limit per Session: 10 students- First come, First serve

Grades; 5th, 6th, 7th, and 8th grade students

Time: 2:05 p.m. - 3:10 p.m.

Pickup: Door D

What happens: Each student will receive a Lego kit and will have to bring it back to school each week. Students will work alone. Each week will have its own theme, such as animals, space, etc. The students will have about forty-five minutes to build. Then whoever's build stands out the most will get a small prize. The sixth week (the last week) there will be a contest and whoever wins will receive a \$25 gift card and will get to choose a charity that we donate the remaining money to.

Please return the slip to the Main Office.
