

For Gr. 1-5 (Fall '22)

Eager Engineers: Summer Fun

Sts. Joseph & John w/Ms. Puliafico!

Eager Engineers is about building– with Lego's, K'nex, Citiblocs, LED Lights, Batteries & more. With these we build excitement, discovery, self-confidence– and learn a few things too! Our projects develop hands on learning while incorporating STEAM concepts, and our blog details the STEAM concepts taught. *Minimum of 2 building projects each day.*

Summer Fun projects include: K'nex Aliens, Zip Lines & Fishing Rods; Lego Pontoon Boats, Lantern w/Camper & Field Goal; Citibloc Spider, Cricket, Log Cabin & more.

Classes Held:

Sts. Joseph & John

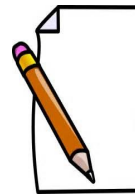

May 31st– June 3rd

9:30am– 12pm each day

Tuition:

\$260 per student*

Payment Options:

enroll online at

www.creativeclasses.org

Visa, MC, Discover, Amex
(credit or debit)

For more information about us, please visit www.creativeclasses.org

Questions? email us: info@creativeclasses.org

Eager Engineers Summer Fun will be held from 9:30am-12pm. Your tuition covers all the supplies and materials used in the camp. We will also send a blog about the STEAM concepts taught with each project. Two projects each day, guaranteed.

**Session dates and off dates are on the calendar link at the bottom of your emailed receipt. Download that link so you never miss a class!*
