Parents: The education of your child is a partnership between the parent, the school and the administration. If in the opinion of the school, the partnership is irretrievably broken, the school and administration reserves the right to require you to withdraw your child.

Sts. JOSEPH AND JOHN SCHOOL BOARD OF TRUSTEES

Since September 2010, Sts. Joseph and John Interparochial School has been organized as a corporation within the State of Ohio. Organized as a corporation, our school is also organized within the mission of the Catholic Church as an integral ministry of both St. John Neumann Parish and St. Joseph Parish. As a corporation, its day-to-day affairs are entrusted to the direction of the Principal while its overall governance is under the authority of the Sts. Joseph and John Interparochial School Board of Trustees.

The Board of Trustees consists of nine members: three executive members and six appointed trustees, and as a member, by his position, the Principal of the school. The executive members of the Board are the Pastor of St. John Neumann Parish, the Pastor of St. Joseph Parish, and an appointed representative of the Bishop of Cleveland. Assisting them in their work are the six appointed trustees – three from each parish – who comprise the remainder of the voting Board. In addition to their work as a whole, the Board of Trustees is organized into three sub-committees focusing on Finance, Fundraising and Institutional Advancement and Marketing. These committees are comprised of trustees, along with other members of the Church and civic community.

The Board of Trustees meets regularly throughout the school year to foster the mission and ministry of the school, its students, faculty and staff. You are free to approach any member with comments, questions or concerns relating to the overall mission of Sts. Joseph and John Interparochial School.

SCHOOL BELIEF STATEMENTS

Sts. Joseph and John School is an integral part of St. Joseph and St. John Neumann parishes whose life flows to and from Sunday Eucharistic Worship. It is this worship that proclaims and provides the energy for our mission to know and transmit the Person and Message of Jesus. Bound by charity to one another and to their students and penetrated by an apostolic spirit, the teachers aim to witness to Christ, the unique Teacher, by their lives as well as by their teachings. They pledge themselves to be persons deeply involved in continuing educational professionalism. They strive for a dynamic spirit that inspires them to a level of creativity higher than that of mere cooperation. We, the staff of Sts. Joseph and John School, recognize the dignity of the individual. As a school community, we endeavor to live and work by the following:

Child Development

We believe the purpose of Catholic education is to educate the whole child physically, academically, intellectually, socially, emotionally and spiritually according to the Gospel message.

- We believe in helping children become confident, self-directed and life-long learners.
- We believe in challenging children within a respectful learning environment to reach their God-given potential.

Curriculum

- We believe that the school curriculum should be Christ-centered and act as a guide in the education of the whole student.
- We believe that instruction should be organized and varied to meet the unique needs of all students allowing opportunities to achieve success.
- We believe that ongoing and varied assessment will be used to guide instruction
- We believe self-evaluation allows continuous improvement in all areas.

Faith and Service

- We believe that the primary responsibility for faith formation lies within the family with the support of the school and parish communities.
 - We believe students will experience their faith through active involvement in the celebrations of the Mass and prayer services, sacramental education and service opportunities.
 - We believe that service should be practiced throughout the school year by all grade levels as a response to Christ's call to serve.
- We believe that through learning beliefs and traditions of the faith, students give witness to Jesus through their words and actions

Community Building

- We believe that the leadership for continuous improvement is the responsibility of the school administration in collaboration with clergy, faculty, staff, students and parents.
- We believe in providing opportunities that encourage an atmosphere of acceptance, cultural diversity and unity.

SCHOOL GOALS

Sts. Joseph and John School gratefully accepts a partnership with parents in educating their children and strives to cooperate with parents in every way possible that together we may make Christ a very real Person in the lives of their children. We also wish to provide the best possible assistance to parents in their efforts:

- To teach their children to have high regard for themselves and for others, because all are sons and daughters of God.
- To help their children understand that it is God who commands us to be honest, just, truthful, faithful, kind, generous and forgiving.
- To encourage their children to strive for excellence. God's gifts of life, talents, material things, and faith deserve nothing less than gratitude to God.
- To teach their children to make wise choices and decisions by accepting the wisdom of God's Word interpreted by His Church.
- To help their children grow and develop mentally, emotionally, and spiritually.
- To motivate their children to respond to Christ's call to unselfish service to one another in the home, school and neighborhood.

ADMISSION/READMISSION

An integral part of the life of St. John Neumann and St. Joseph parishes centers on Eucharistic Worship. It is in the parish community that our Christian heritage is lived and in our parish school that we try to pass on that heritage to those who come after us.

In light of this, families requesting admission of children to Sts. Joseph and John School shall be considered according to the following priorities:

1. **Registered parishioners** - a registered parishioner is one who attends and contributes to St. Joseph Parish or St. John Neumann Parish.

2. **Non-parishioners** - a non-parishioner is one who attends and contributes to a neighboring parish without a school.

3. **Non-Catholic** - non-Catholic students will be accepted on the basis of an interview between parents and pastor or principal, and in consideration of the space available. The tuition for non-Catholic students is the non-parishioner rate.

In addition, those parishioners and non-parishioners whose children are registered at Sts. Joseph and John School are asked each year to review and sign the Offertory Contribution/Tuition Contract.

Sts. Joseph and John School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to the students of Sts. Joseph and John School. It is the policy of the school to interview parents and students seeking school admission. Normally, junior high students will not be accepted unless they are moving into the geographical boundaries of the parish, and are transferring from another Catholic school. Acceptance will be granted only after careful evaluation and assessment has taken place in regard to previous school experiences, and all school records have been received and evaluated by the Principal.

TUITION POLICY AND PAYMENT SCHEDULE

Each year all families must re-enroll their children through Ren Web, complete a Tuition Agreement through the FACTS Tuition Management System and pay the Education Fee which is due upon enrollment. Approved payment plan choices will be available through the FACTS system. All payment plans have a beginning date of July 1st. Tuition can be paid using the FACTS online payment system or by sending cash or check directly to the school office. Regardless of the method of payment, there is a fee for the use of the FACTS system in addition to the Education Fee and Tuition amounts.

Please remember to be faithful to your Sunday contributions to your Parish. The parishes are subsidizing your tuition costs.

Late Fees

A \$10 late fee will be assessed for any payments not made by the 15th of the month on which they are due.

If there are unpaid balances for any school fees, including tuition, after care, lunch or any additional student fees, enrollment will not be approved for the following school year. In addition, no records will be released for 8th graders during the application process for Catholic High Schools or at year end to any high school if there are unpaid balances at the time the record release is due. No transfer students' records will be released to the new school if unpaid balances exist. Families must contact the Business Office to make arrangements for payments or to discuss hardship cases.

Students will not be considered enrolled and accepted until all tuition and fees are current and their Parish of record has confirmed that they are registered members of that Parish entitled to the Parishioner rate of tuition. Those who are not confirmed members of St. Joseph Parish or St. John Neumann Parish will be charged at the non-parishioner rate of tuition.

Fundraising

Every parishioner school family agrees to support the fundraising efforts of Sts. Joseph & John School when signing their tuition agreement each school year. The expectation is that each family, whose tuition is subsidized by St. Joseph or St. John Neumann parishes, sell at least \$300 worth of raffle tickets. Proceeds from this initiative go directly into the Operating Budget.

COMMUNICATIONS

Daily/Weekly Information

Important papers and information are sent home weekly, and sometimes daily, with the youngest and only students. It is important that you stress with your child the importance of bringing home all information handed out in school. Please be sure to check their bags and RenWeb daily.

Weekly Update

A weekly update from the Principal will be emailed home. Besides general news, it contains important notices, reminders and schedules for the week. The weekly update is also located on the school website.

Parent Alert

Our school uses a communication system to help improve and facilitate communication with our families. Parent Alert will allow us to send out communications via Text, Email, and Voice Messages for all type of events. These alerts can be used for many reasons and will provide us a fast, efficient way to communicate with our families in case of an emergency. To ensure you are able to receive our alerts please text the keyword "START" to 22383 from your mobile device. Any text alerts from our school will begin with "SJJ Alert" and calls will show from 440-238-4877. Per the Telephone Consumer Protection Act, we provide all recipients with the option to Opt Out of receiving school alerts. Anytime we send a text alert, you will see 'Stop to End'. If you reply 'Stop' you will no longer receive our text alerts regardless if we select you as a recipient."

Internet

School news, information, and pertinent school links may be accessed online through private family codes at www.renweb.com, on the school's website at www.sjjschool.org or on the SJJ app. Administration and faculty members may also be contacted on RenWeb and the school website through school email accounts.

RenWeb

Updated by classroom teachers on a regular basis to post grades, homework and long-term assignments that are assigned to students.

Website

Our school website is a primary resource for school information from not only the school but also the different groups that are part of Sts. Joseph and John School. To be authorized to view all of the information on the website, parents must create a profile, username and password. Parents must update email and home addresses on profiles yearly.

Email and Text

The school may email or text parents with important news or information. Parents must have a profile with accurate information on RenWeb and our school website to receive email or text messages.

Weather School Closing

Given that Sts. Joseph and John School uses Strongsville City School buses to transport our students, SJJ closes or will adhere to the two-hour delay policy whenever Strongsville City Schools do.

Conflict Resolution

At Sts. Joseph and John School, we strive to create an environment where all may achieve the fullest of their God-given potential. As Jesus illustrates in the Gospel of Matthew, respect and Christian charity ask that parties first approach and discuss matters among themselves before escalating their concerns. Aware that conflicts may arise, our school community will utilize the following in bringing closure to the situation.

Prior to involving a member of the school administration conflicts should be first discussed and an attempt for closure made with the most immediate party (adult to adult), parent, teacher or member of the staff. If closure is not obtained at this level, the concerned party should approach the Vice – Principal of guidance, discussion and formulation of a plan.

If successful closure is not reached, the concerned party should approach the Principal for guidance, discussion and formulation of a plan. Only after the above has been attempted and no resolution can be obtained, should the President of the school be contacted. Parents should never ever address a student to attempt to resolve a conflict.

THE SCHOOL DAY

School Office Hours

Monday through Thursday 7:00am - 3:00pm

Friday 7:00am - 2:30pm

Schedule

When students arrive at school, they will go directly to their classroom. Classes begin at 7:45am each day and continue until dismissal at 2:00pm. All students must report to their homeroom by 7:45am. This important homeroom time is set aside each morning before classes start to take attendance, handle various matters, and listen to morning announcements made at 7:45am.

Attendance

Regular attendance and punctuality are very important from the very first day in school. The sooner students learn that every minute of their education is important the more satisfactory progress will be. Frequent absences or tardiness naturally hinder a student in his or her opportunity to acquire a basic understanding of all subject matter and to do good work. Frequent tardiness also disrupts the rest of the class's learning as well as the teacher's instruction. Students absent 18 or more days in one year risk being retained at the discretion of the Principal. Parents may call the school (440-238-4877) before 8:00am on the day of an absence. A doctor's note is needed for absences of more than 3 days. Being tardy is damaging to the academic achievement

and development of personal responsibility. A student is considered tardy if not in his or her homeroom and seated by 7:45am. Any student arriving after 7:45am must come into school with a parent to sign in and get a pink admission slip. After 7 times tardy in a quarter an Attendance Letter will be sent out in the mail. The letter must be signed and returned to school. Students will also be marked tardy if they are not in their seats at the beginning of each class without permission.

Recess

Kindergarten students have a 20-minute recess before snack in the morning and a 20-minute recess after lunch. Grades 1-2 have a 15-minute recess in the mid-morning and a 15-minute recess after lunch. Grades 3-8 have one 15-minute recess after lunch. In general, recess will be outdoors. Have your student(s) bring appropriate outer clothing for recess. If the temperature is below 20 degrees or the wind chill is below 10 degrees, the children will have indoor recess. Weather conditions such as rain, snow, ice and temperature, may affect whether or not students stay in for recess.

Lunch

Our school offers a hot lunch program throughout the school year. The cost for lunches is \$3.75 and milk is included. Milk can be purchased separately for 50 cents. Parents are encouraged to keep a running balance in their child (children's) account. Parents may preorder lunch through the SJJ App or students may sign up for the appropriate lunch entree during homeroom every day in order for the cafeteria staff to obtain an accurate count to serve the students better. Students receive a menu monthly. The menu is also on the SJJ website. The menu offers three entrée choices: main entrée, alternate entrée and a peanut butter and jelly sandwich. The side dishes listed for that day will accompany each lunch entrée.

Snack Bar

Snack bar items are 50 cents. Nachos or soft pretzels are available on Fridays for \$1. Snack bar is cash only. Students are permitted to bring packed lunches from home. Fast food lunches may not be delivered to students anytime during the day.

Homework/Make-up Work

Each teacher or grade level will set policies for homework at the beginning of the academic year. Homework can be requested the morning of the absence and can be picked up from the table outside the office between 2:00-3:00pm (Monday - Thursday) or 2:00-2:30pm (Friday). All work your student misses during an absence must be made up. It is the student's responsibility to obtain all missed work from their teachers immediately upon their return to school. Students have the same number of school days as the number of school days absent to make up work from an absence due to illness or death in the family. Only in extreme cases of a prolonged absence will more than one week be allowed for work to be made up unless permission is granted by the administration. All work must be submitted by the end of the grading period, unless the absence overlaps two quarters.

Pre-Absence Forms

For any planned absences of 2 or more days a pre-absence form must be obtained from the teacher. It must be completed by the student, parent and teacher and returned before the planned absence. Students have 2 school days after the absence to make up work no matter how many days they were absent. All work is due on the third school day after the absence. Students are responsible for mastery of the material covered during the time of their absence. *(For example, if a student were absent on Monday and Tuesday, they would have Wednesday and Thursday of the same week to complete their missed work. Work is then due back to the teacher(s) on Friday of that week.)* It is not in accordance with school policy for parents to request an extended period of absence for children. **Vacations during school time are strongly discouraged.** Teachers will not provide assignments ahead of time.

Locker

Students in grades 3-8 are assigned a locker for use throughout the year. Each student is responsible for the condition of the locker.

Birthday Celebrations

Students may dress up/down on their birthday. They are acknowledged during the morning announcements. Students are permitted to pass out non-consumable items to their classmates such as pencils, erasers, stickers, etc. Students are NOT permitted to bring consumable treats to school (cookies, doughnuts, candy, brownies etc.). If you would like to purchase a snack bar ticket for each student in the class to enjoy an item from the snack bar, as a birthday treat; arrangements must be made with Mrs. Gyurko, the Food Service Manager. Call 440-238-4877 ext. 109 . Please make arrangements at least one week in advance. All lunch and snack bar items served in the school have been approved by the State of Ohio and the U.S. Department of Agriculture Guidelines.

Mystery Readers

We have always enjoyed having volunteer parents, grandparents or special guests come to the primary classrooms to read stories.

Classroom Parties

Teachers and room parents must meet to plan the menu for classroom parties. Menu items, including drinks, must be taken from the approved list supplied to the teachers.

Delivery of Items to Students

Bringing forgotten items to school by parents is discouraged. If a student's forgotten items are brought to school, parents are asked to leave them on the table inside Door A (school office door) with the student's name and room number on the item. Teachers check mailboxes at various times. If a student is missing something they are permitted to ask the teacher to check their mailboxes. Secretaries will not interrupt classes to individually deliver items that are brought to school during the day. Deliveries of birthday flowers, balloons, gifts, etc. will not be accepted at the office.

SCHOOL PROGRAMS

High School Shadowing

Students in eighth grade are permitted to shadow at area Catholic High Schools for a period of 3 days during the first semester. Dates for shadowing are agreed on with the high schools and the Sts. Joseph and John School principal. It is up to the parent to schedule a shadowing time with the high schools of choice. Any additional day the student wishes to shadow needs to be approved with his/her teachers. A shadow release form must be obtained from the homeroom teacher and signed by each teacher and the school administration.

Field Trips

Students will be provided with the opportunity for field trips. Unless the field trip is an outdoor trip, regular school uniforms will be worn. Permission slips signed by the parents are required for each student for each trip. Parents will be informed of the cost of the trip and of the transportation arrangements when the permission slips are given out. Students with serious or habitual behavior problems will be excluded from class field trips. Students deemed ineligible to attend class field trips are required to attend school the day of the trip.

After School Care

Extended care after dismissal until 6:00pm is offered for students enrolled in the school in grades K-6. This care is offered any day the school is in session, except for the last day before Christmas break and the last day of school. After School Care is supervised by teachers and divided into playtime, snack time and study time. The cost for each child is \$8.00 for the first hour, and then \$4.00 per hour there after. Registration forms are provided online.

Instrumental Program

Sts. Joseph and John School has an excellent instrumental music program through Padua High School. Students in grades 5-8 are eligible to join band. Sign-ups are announced at school, practices are after school, and lessons are during and after school. Students are responsible for making up class work missed during the school day while attending lessons.

Scouts

Girls scouting programs are organized and directed through the parishes. Students may wear scout insignia over their regular school uniforms on scout meeting days.

Clubs and Activities

Various clubs and activities meet after school. Organized and led by teachers and staff, they include National Junior Honor Society, Builders Club, Academic Team, Geography Club, Invention Convention, Ski Club, Chess Club, Book Club, Power of the Pen and others.

RELIGION PROGRAMS

The religious formation of our students is of prime importance. Aside from daily structured Religion classes, we encourage a spirit of prayer and service throughout the year.

Mass

Students attend Mass as a student body on Fridays. Prayer Services are held during the school year for students, faculty and staff and are planned around the theme of the feast day or the theme of the school year.

Sacraments

The sacraments of Reconciliation and Eucharist are received for the first time in the second grade. The religion curriculum provides for deep and careful preparation in these areas. Students in grades 2-8 are given the opportunity to receive the Sacrament of Reconciliation one time within the school year. The sacrament of Confirmation is received in the eighth grade. Students are prepared through the eighth grade religion classes and parish activities.

Service

Throughout regular Religion class, students often participate in activities and projects to reach out in service to our local, national and worldwide communities. Students also have the opportunity to learn the serving attitude of Christ for others through several extracurricular clubs, such as Student Council and Builders Club.

Peace Builders

Peace Builders is a program to enhance the anti-bullying program already in place at Sts. Joseph and John School. The Peace Builders Program is a science-based and research validated, violence prevention youth program approved for the federally funded Safe and Drug Free Schools Act. The curriculum-based program is designed to create a safe, positive learning environment, enabling teachers to do what they love to do TEACH, and students to think twice about bullying. Peace Builders through a school wide effort (student, faculty and staff) work in the hopes of changing the culture of the building to that of Peace. Students begin their day reciting the Peace Builders Pledge each day during the morning announcements.

Picking Up Students

It is recommended that all students take advantage of school bus transportation. When it is necessary to pick up a student during the school day or after the school day, please make certain the student is informed in the morning. For pick up during school, parents must write and sign a note to the teacher indicating when the student will be picked up and for what reason. This note will then be sent to the office to be approved, and the child will be sent or called to the office at the appropriate time. For pick up after school, a note signed by the parent is also required. The note will be sent to the office, approved, and given back to the child to take to the pickup line at dismissal. Please avoid impromptu taking home of students, such as after returns from field trips or after school assemblies. *Do not enter the building right at dismissal time.* At dismissal, students may be picked up in the north driveway at Door D. Enter by way of the south drive by the church rectory; move along the outside edge of the back parking lot. Please stay in one single line of traffic keeping in the far lane and out of the bus lane. Do not enter the south drive for the pickup line before 1:50 pm and do not remove gates or cone barriers. These are parish and school safety issues. Please wait in your car as teachers direct children to you.

HEALTH

Clinic

A health aide staff is in the clinic daily between 8:00am and 2:00pm. If an accident occurs, first aid will be administered and parents will be notified. If a student becomes too ill to remain in school, parents or guardians will be contacted. For these reasons, it is very important that we have a telephone number where a parent or guardian can be reached. An alternate emergency contact person must also be listed. Do not send children back to school until they have fully recovered at least 24 hours past recovery, and are able to go outdoors for recess.

If a student cannot go out to recess due to recovery, they will be sent to the clinic.

Medications

State law prohibits us from administering any kind of medication to any student without a written request from the Physician stating the name of the drug, dosage and time(s) to be given (this includes Tylenol or aspirin.) Also, a signed permission form from the parent/guardian must accompany all medication before it can be administered. Medications, including cough drops, taken at school must be taken in the presence of the Health Aide; this includes cough drops. All medications, prescription and non-prescription, such as Tylenol, Advil, Dimetapp, etc. must be in the original container.

Immunizations

All students must have their immunizations to be admitted to class.

Dentist and Doctor Appointments

Please try to schedule appointments for dental or medical care outside school hours. If this is impossible because of crowded office hours, we will excuse the student during the school day. A signed handwritten note must be sent to the school on the day of the appointment. The parent must meet the student in the office to sign the student out. Students do not need to be signed in on their return from the appointment.

School authorities may take disciplinary action with any student whose conduct at any time or in any place interferes with or obstructs the mission of the school or the safety or welfare of students or employees.

Demerits and Detentions

Students in all grades K - 3 may receive demerits and detentions. When a student breaks a classroom or school rule, a demerit may be given. These demerits will be accumulated per quarter and recorded on Renweb. A behavior contract may be provided for students who receive multiple demerits.

Students in grades 4 - 8 may receive demerits and detentions. When a student breaks a classroom or school rule, a demerit may be given. These demerits will be assigned per quarter. If a student in grades 4-8 receives three demerits in one quarter, a detention will be issued. The detention will be served the following Thursday from 2:00-3:00pm.

Suspension

If a student receives four demerits, a parent meeting may be held and an in-school suspension will be served the following day. Any subsequent misbehavior may result in an out-of-school suspension the next school day, with the possibility of not being offered re-registration for the following school year.

A suspension is the exclusion of a student from all classes in school or out-of-school. Students must make up all daily work missed. During in-school or out-of-school suspensions students are expected to complete all work that is missed; credit is not given for work during in-school or out-of-school suspensions with the exception of tests. With any out-of-school suspension a parent conference and a behavior contract may be required to reinstate the student into class.

Expulsion

Expulsion of a student from school is a serious matter. In some cases the principal and/or pastor may deem an action by a student so severe that it would result in immediate expulsion from school. Repeated warnings, serious violations and violation of a behavior contract will result in a student being asked to withdraw. This decision is the right and responsibility of the principal and/or pastor.

DIOCESAN POLICIES

School Security Policy

To help promote a safe, secure, and supportive learning environment the school has in place a Crisis Response Plan. This plan provides procedures to handle natural disasters and other potentially harmful events at the school. In line with this plan, all school entrance doors are locked at all times. All parents, volunteers, and visitors must enter through the School Office Door (A). During school hours after ringing the doorbell, visitors must identify themselves to be admitted and then sign the register at the help desk or at the office.

E- Cigarettes and Vaping

Any student who is in possession of E-Cigarettes or Vapes, will incur the consequences that are in place with the City of Strongsville Police Department.

Weapons Policy

In furtherance of the overall philosophy, goals and objectives of the Catholic educational experience, the Diocese of Cleveland has proposed a policy that expressly prohibits the use, possession, sale or discharge of any weapons or explosive devices in the school, on school grounds, or at school-sponsored activities. This policy shall apply to all students, participants in parish programs, teachers, administrators and other personnel in the school or parish. This policy includes, but is not limited to, any firearm, knife, deadly weapon, or explosive or incendiary device. As defined by state law, a deadly weapon is any instrument, device or thing capable of inflicting death, and designed or specifically adapted for use as a weapon (O.R.C.2933.11A). Firearms shall include any loaded or unloaded gun of any caliber or type. This prohibition also includes any pistol,

rifle or other device that uses air or gas propelled projectiles. Violations of this policy may warrant notification of the police, among other disciplinary action.

Youth Gangs Policy

Youth gangs and gang-related activity are prohibited. A gang is defined as any non-school sponsored group, usually secret and /or exclusive in membership, whose purpose or practices include unlawful or anti-social behavior or any action that threatens the welfare of others. Gang activity includes recruitment, initiation, a manner of grooming, hair style and/or wearing of clothing, jewelry, head coverings or accessories which by virtue of color, arrangement, trademark or other attribute denotes membership in a gang, displaying gang markings or slogans on school or personal property or clothing, having gang tattoos, intimidation, coercion, or any other action directly resulting from membership or interest in a gang. If a student is suspected or identified as being a member of a gang, shows interest in joining a gang, initiates or participates in any gang related activity, or has been approached for recruitment, we will abide by the consequences as set forth in the policy of the Diocese of Cleveland. With these concerns in mind we will strictly enforce the Dress Code as given in this handbook.

AIDS Policy

Children with Acquired Immune Deficiency Syndrome enrolled or seeking enrollment in grades K-8 shall be permitted to attend school in a regular classroom setting provided:

1. The health of the child, as documented by his/her physician, allows participation in a regular academic school program.
2. The child behaves acceptably in a manner that would not cause spread of the disease or in any way put others at risk.
3. The child does not have open sores, skin eruptions, or any other condition that prevents his/her control of bodily secretions.
4. There are periodic evaluations of the child's physical condition with written certification from his/her physician allowing continuing participation in regular academic school activities.

Each case will be handled on an individual basis. The Pastor and Principal will confer with the appropriate persons and consult with the Regional Superintendent before the Pastor makes the final decision. Parents and guardians have the obligation to report to the school administration when any child has been diagnosed as having AIDS; ARC (AIDS related complex) or other illness caused by HIV (Human Immunodeficiency virus, the virus that causes AIDS, also known as HTLV III or LAV). In order to protect confidentiality, when a child with AIDS is admitted to school, personnel who are made aware of the child's condition should be the minimum necessary to assure proper care of the child. Based on the condition of the child and the expected type of interaction with others, the Principal, after consultation with the proper authorities, may limit the child's participation in school activities.

Sexual Harassment

Sexual harassment includes the following specific instances: obscene and/or sexually explicit gestures and any other inappropriate behavior of a sexually explicit or obscene nature that demeans or offends the recipient; verbal sexual abuse or disseminating obscene or sexually explicit material, whether in the form of music, written lyrics, pornographic pictures or other literature, or having such material in ones possession in the school, on school grounds or at

school-sponsored activities; obscene or sexually explicit graffiti anywhere in the school or on the school/parish grounds; continuing and unwanted written or oral communication directed to another of a sexual nature; spreading sexual rumors/innuendos; obscene T-shirts, hats, or buttons; touching oneself sexually in front of others. The above list is not all-inclusive but provides guidance as to what may constitute sexual harassment. Isolated, trivial incidents are not sufficient to constitute harassment and will be handled according to the handbook Discipline Policy. If allegations of sexual harassment are substantiated, disciplinary actions will be taken. These will depend on the nature, frequency and severity of the action, the ages of the offender and victim, the history of similar actions by this individual, and circumstances in which the harassment occurred.

Diocesan Virtus Policy

All adult employees or volunteers, who work with children in Diocesan schools and/or parishes, must be certified in the Virtus Program Protecting God's Children. This includes those working in the buildings or classrooms, on the playground, as chaperones on field trips, or as coaches in a sport.

Sexual Violence Policy

Sexual violence is handled separately because of its potentially criminal nature. If an incident of sexual violence occurs, the principal, pastor, or other school authority is required under state law to report the incident (O.R.C.2151.421). The Department of Human Services and the police will be contacted immediately if there is a reason to believe (O.R.C.2151.421) that sexual abuse or violence has occurred involving a child less than eighteen years of age. The Diocesan Legal Office will be contacted immediately in these situations. Generally, sexual harassment should be construed as sexual violence when: the recipient is physically touched without his/her consent in a sexual manner; is expressly threatened or perceives a threat of physical harm for purposes of the offenders sexual gratification; or is the victim of sex offenses under Ohio law, including Gross Sexual Imposition (O.R.C.2907.05), Sexual Battery (O.R.C.2907.03), Rape (O.R.C.2907.02), Importuning (O.R.C.2907.07), Voyeurism (O.R.C.2907.08), Public Indecency (O.R.C.2907.09), or Felonious Sexual Penetration (O.R.C.2907.12) as examples. In each of the above examples, the Department of Human Services and the police will be contacted immediately.

Sts. Joseph and John School Internet Rules

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. Presently, students will have email access only under their teacher's direct supervision using a classroom account. The network is provided for students to conduct research and to communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. Access is a privilege - not a right. Access entails responsibility. Individual users of Sts. Joseph and John Schools computer network are responsible for their actions. It is presumed that users will comply with school standards and will honor the agreements they have signed. Beyond the clarification of such standards, the school is not responsible for restricting, monitoring or controlling the communications of individuals utilizing the network. Network storage areas may be treated like school lockers. Network administrators may review files and

communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on any server or computer would be private. During school, teachers of younger students will guide them toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

Users have no privacy right to any data received or disseminated on the network or through email, and by utilizing these Sts. Joseph and John School systems they consent to the Sts. Joseph and John School's right to audit all email, files and documents. If a user acts inappropriately through the communications systems, Sts. Joseph and John School reserves the right to report such actions to any outside authorities and/or take appropriate internal disciplinary action.

The following are **examples** of inappropriate use and activities. This is not an all-inclusive list of inappropriate use and activities:

- Sending or displaying offensive messages or pictures.
- Using obscene language.
- Damaging computers, computer systems or computer network.
- Violating copyright laws.
- Using another person's password.
- Trespassing in another person's folders, work or files.
- Intentionally wasting limited resources.
- Posting personal contact information about you or other people.
- Employing the network for commercial purposes.
- Using the computer lab unsupervised by a teacher.
- Harassing, insulting or attacking others.

Any inappropriate use of the Internet will be subject to disciplinary consequences recommended by the Administration.

Student
Acceptable Use Policy
Sts. Joseph and John School
Diocese of Cleveland

Sts. Joseph and John School makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation, and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees. The Diocesan Acceptable Use Policy 2 is intended to minimize the likelihood of such harm by educating the School's students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

Definition of school technology system: The SJJ Network system is any configuration of hardware and/or software. The SJJ Network includes, but is not limited to, the following:

- telephones, cellular telephones, and voicemail technologies;
- email accounts;
- servers;
- desktop and laptop computer hardware and peripherals;
- software including operating system software and application software;
- digitized information including stored text, data files, email, digital images, and video and audio files;
- internally or externally accessed databases, applications, or tools (Internet- or District-server based);
- school provided Internet access;
- school filtered public Wi-Fi;
- school provided personal digital assistants ("PDAs"), tablets, IPADs and similar devices; and
- new technologies as they become available.

Acceptable Use: Students are responsible for appropriate behavior on the System just as they are in a classroom or on a school playground. Communications on the System are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with school standards and the specific rules set forth below as interpreted from this policy, whether on or off of school property. A student is personally responsible for his/her actions in accessing and utilizing the school's computer resources in accordance with Student Code of Conduct and may be subject to discipline for misuse of the System.

Access to communication system: Access to the school's electronic communications system, including the Internet, shall be made available to students for educational and instructional purposes. Each school computer/device and Wi-Fi has filtering software that block access to visual

deceptions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined by the federal Children's Internet Protection Act (CIPA). Filtered Internet access is provided to students as defined by CIPA.

Access to the District's computer/network/Internet is a privilege, not a right, and may be revoked at any time.

Scope of Use: The system is intended for use for educational and instructional purposes only. Incidental, personal use shall be allowed only so long as such use is appropriate for a school setting, non-disruptive to the school's operations and mission, and not in excess or to the exclusion of the student's studies or school responsibilities.

Inappropriate Use: Inappropriate use includes, but is not limited to, those uses that are specifically named as violations in this document; that violate the rules of network etiquette; or that hamper the integrity or security of the System or any components that are connected to it.

Transmission on the System, including through email (personal or school accounts), social media, web pages, blogs and/or forums, of any material in violation of any federal or state law or this Policy is prohibited. This includes, but is not limited to:

- cyber bullying;
- threatening, pornographic, harassing, defamatory or obscene material;
- copyrighted material, plagiarized material or materials protected by trade;
- the use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community (even if such uses take place after school hours or off school property).

Vandalism or Mischief: Tampering with or theft of components from the System may be regarded as criminal activity under applicable state and federal laws. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

Modification of Computer: Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited and may result in discipline and/or the revocation of access to the System.

Student Access: System access is provided to all students unless parents or guardian request in writing to the school principal that access is denied. Student Internet access will be under the direction and guidance of a school staff member. Students must adhere to the following guidelines when using the System on or off of school property:

1. Respect and protect the privacy of others.
 1. Use only assigned accounts.

2. Decline to view, use, or copy passwords, data, or networks to which they are not authorized.
3. Avoid distribution of private information about others or themselves.
2. Respect and protect the integrity, availability, and security of all electronic resources.
 1. Observe all network security practices as posted.
 2. Report security risks or violations to a school administrator, teacher or network administrator.
 3. Refrain from destroying or damaging data, networks, or other resources that do not belong to them without clear permission of the owner.
 4. Conserve, protect, and share these resources with other students and Internet users as appropriate.
 5. Get appropriate pre approval before accessing the network with personal devices.

5. Abide by the Student Code of Conduct in the use of the System at all times.

School Email and Communication tools: Email and other digital tools such as, but not limited to, blogs and wikis are tools used to communicate. The use of these communication tools should be limited to instructional, school related activities; or administrative needs. All communications within these tools should adhere to this Policy.

appropriate use. All electronic files, including email messages, from both school-issued and personal accounts, transmitted through or stored in the System, will be treated no differently than any other electronic file. The School reserves the right to access, review, copy, modify, delete or disclose such files for any purpose.
