

The 2022-2023 PTU Board would like to welcome you to a new school year!

Who is the PTU?

YOU are the PTU! The Sts. Joseph and John Parent Teacher Union is comprised of teachers and parents of students of all grades. There is no fee to join. All teachers and families enrolled at SJJ are automatically a part of the PTU. We work together to provide service to our faith-filled community while strengthening relationships between school families, students, and teachers through social and fundraising events.

What does the PTU do?

The PTU runs social events, spirit wear sales, and various fundraisers throughout the school year. The funds earned are provided to the school to fund items and activities such as: Teacher/student appreciation meals, 8th grade scholarships, playground and technology equipment, 2nd/8th grade sacrament treats, and provide each teacher money for classroom supplies to name some!

How can you help?

We are in this together! Attend a PTU meeting, social event, purchase lunch/dinner during one of our monthly restaurant nights, sign up to be a committee member, there is always plenty of spots and events to help with!

Follow us on Facebook! Search for: **SJJ Vikings PTU** answer 2 questions and you will be approved!

Are you interested in helping work an event, or be a committee member? Email us at stsjjptu@gmail.com
