PTU donations made in October!

Teachers Conference Meal

Fall Fest treats

Did you know?

The craft fair is one of the most popular (and profitable) PTU events. We could not do it without the amazing Craft Fair Committee and over 50 volunteers working the event!

Preschool Corner

Preschool has noticed the changing of seasons and is enjoying God's magnificent colors of fall. Our P4 Blanket Sunday allowed us to deliver 30 children's blankets to the West Side Catholic Center. How beautiful for our children to learn from an early age about caring for others. This month we will talk more about God's many gifts and thankful hearts. Our P4 students will celebrate Thanksgiving with a show before the Thanksgiving break.
