

Founder/President: Samantha Todd

Co-President: Andrew Maalouf

Co-President: Maximilian Reagan

Where: Science Lab (Room #9)

When:

Session 2: Mar. 1, 8, 15, 22, 29, Apr. 5

Cost: \$40 (money goes towards the Lego kits each student will receive)

Teachers: Mr. Beck, Miss Webb

Limit per Session: 10 - 15 students: First come, First serve

Grades: 5th, 6th, 7th, and 8th grade students

Time: 2:05 p.m. - 3:10 p.m.

Pickup: Door D

What happens: Each student will receive a Lego kit and will use it each week. It will be stored in the Science Lab. Students will work alone. Each week will have its own theme, such as animals, space, etc. The students will have about thirty to thirty-five minutes to build. Then the top 3 builds for that week will receive a small prize. The sixth week (the last week) there will be a contest and whoever wins will receive a \$25 Amazon gift card and will get to choose a charity that we donate the remaining money to.

Please return the slip to the Main Office.
