RE: Sts. Joseph and John CYO Athletics – 2023 Track and Field

Thursday February 16, 2023

Dear Parents,

It certainly felt like Spring yesterday and a good reminder that Spring Sports is just around the corner. As we wrap our winter/basketball seasons, it's time to get ready for Spring Track and Field.

As such, registration is now open on the website. Please go to [www.sjjathletics.com](http://www.sjjathletics.com) if you are interested in participating in our Spring Track and Field program. Registration will be open for all boys and girls in grades 2 through 8. Registration will be open until March 17<sup>th</sup> and I encourage you to register as soon as possible so as not to miss out on key information and practices.

Information on practice times and locations will be sent out to all registrations once we have a few things finalized. Practices cannot begin any sooner than February 27<sup>th</sup> so we are just weeks away from getting started.

As many of you may know, our running programs of Cross Country and Track take a lot of volunteers to help keep them successful. SJJ has been one of the top programs in the diocese for many years and we plan to keep that going this year as well. Please join me in keeping all our coaches and student athletes in your prayers. If you have any questions, please reach out to me directly at [sjjcyo@gmail.com](mailto:sjjcyo@gmail.com)

Thank you,

*Craig D. Behm*

*Athletic Director*

*Sts. Joseph & John School*
