Preschool Corner

There has been new life spotted in Preschool! As the littles prepared their hearts for Holy Week, they also did some planting and observing. P3's planted grass and P4's were comparing the growth of vegetable seeds. Each group identified the elements new life needs to grow. P4 Enrichment created small water cycles in the classroom. Fr. Joe came to visit our P4's to discuss the days of Holy Week and how we can care for others as Jesus did. After Easter break, we will continue to explore New Life with the arrival of our classroom caterpillars!
