

Sts. Joseph and John

The Family Buddy Program

As a new family entering the SJJ school community, our goal is to welcome you the best way that we can. In order to do so, we have called upon our wonderful families to partner with you, a new family, as you transition throughout your first school year. The family buddy program is designed for you to ask questions to your buddy family, bounce ideas back and forth, and to use as a resource, given their familiarity with SJJ. We are grateful that you are here and are excited to welcome you to Sts. Joseph and John and our excellent community!

If you are interested in participating in the family buddy program, please fill out the attached form and either email a picture to sjjadmissions@sjjschool.org or turn in the completed form to the front office. If you are not interested, you may disregard this form.
