## SCHOLARSHIP FUND

---

*Turning taxes into tuition with the  
Catholic Community Foundation*

Last year, nearly \$40,000 of Ohio income tax credit was directed towards Sts. Joseph and John School. This money went to assisting our families to find Catholic Education more affordable for their children. We believe that Sts. Joseph and John School strives to provide an environment where one encounters Jesus, the first step to becoming a missionary disciple – a person who reaches out in service to God and one another – ultimately leading the student to a closer relationship with Christ. We are grateful for those who supported this last year! Those who donated before should have received an email or letter inviting your support again this year. The State of Ohio is offering this opportunity again this year. We invite others to consider this opportunity before 2023 comes to an end. You are likely eligible to direct up to \$750 (or \$1,500 for a married couple filing jointly) of Ohio income tax credit to Sts. Joseph and John School! You may wish to check with your tax preparer about the Angel Scholarship Fund and learn more about it by visiting [www.sjjschool.org/angel](http://www.sjjschool.org/angel). We would welcome everyone's support!
